

MES Webinar Series

We will be continuing our successfully launched MES Webinar series. In each series, we will inform you about tools, applications, and concepts to optimize model-based software development and give you the chance to exchange ideas with our experts.

Participation in our webinars is of course free of charge. Webinars are held in English (unless otherwise stated).

On Demand Webinars

You can find a selection of webinar recordings here.

Upcoming topics:

Guidelines are a Modeler's Best Friends

May 19, 2015–May 20, 2015

Modeling guidelines can be really helpful to functional developers in their daily work. Do you have any doubts? Join this webinar and we guarantee you will be convinced!

The webinar will take place on two alternative dates in English:

Date 1: May 19, 2015

Time: 16:00-17:00 CEST
