

MES Webinar Series

We will be continuing our successfully launched MES Webinar series. In each series, we will inform you about tools, applications, and concepts to optimize model-based software development and give you the chance to exchange ideas with our experts.

Participation in our webinars is of course free of charge. Webinars are held in English (unless otherwise stated).

On Demand Webinars

You can find a selection of webinar recordings here.

Upcoming topics:

ISO 26262-compliant Testing with MTest v.4.2

Apr 25, 2017

Software model testing should focus on functional requirements according to ISO 26262. That sounds simple, but how can it be achieved in practice? This webinar gives an introduction to requirement-based functional testing using the MES Test Manager® (MTest).

The webinar will take place in Chinese:

Date: Tuesday, April 25, 2017

Time: 10-11 am CEST (Berlin)/ 4 am EDT (Detroit)/ 1:30 pm IST (Bangalore)/ 4 pm CST (Beijing)/ 5 pm JST (Tokyo)

Registration: <https://model-engineers-event-en.webex.com/model-engineers-event-en/onstage/g.php?MTID=e25003ae02c6b12fe32fe2cb6b8761d17>
