

MES Webinar Series

We will be continuing our successfully launched MES Webinar series. In each series, we will inform you about tools, applications, and concepts to optimize model-based software development and give you the chance to exchange ideas with our experts.

Participation in our webinars is of course free of charge. Webinars are held in English (unless otherwise stated).

Getting Started with MXAM DRIVE 4.7 and MES M-XRAY 3.7

Jul 10, 2018–Jul 11, 2018

Do you want to get a compact overview of the new functions offered by the current releases of MES M-XRAY® and MES Model Examiner® (MXAM)? How can you improve and simplify guideline testing and structure analysis of your software models? We will demonstrate why it makes sense to use the latest tool versions.

The webinar will take place on two alternative dates in English:
