

## Our Renault Success Story, MES Academy at the embedded world, and Upcoming Events in 2015

### Software Quality Made in Germany

Visit our booth and learn more about current trends in quality assurance and our latest product innovations at the MES Academy.

**embedded world 2015:**  
booth 525 in hall 4

[Visit our website to find out more](#)

### Renault uses MES Model Examiner® to Boost Efficiency

At Renault safety always comes first. Which is why Renault has introduced our MES Model Examiner® (MXAM). The duration of software model reviews was reduced by 30% using MXAM...
