MES User Conference on October 6-7, 2016 at SOHO House Berlin

We wish to celebrate the 10th anniversary of MES with an exclusive user conference. We are pleased to announce an outstanding program with speakers from **AVL, BMW, BTC Japan, dSPACE, Hasso-Plattner-Institut, Hella, JTEKT, Mercedes-Benz, samoconsult, Siemens, Volkswagen, and Vaillant.**

In addition to an exciting program you may also look forward to the opportunity to exchange ideas with MES software users and other experts, as well as an evening reception in SOHO House Berlin (Germany).

Reducing Test Efforts for Highly-configurable Software Systems

The new webinar of the MES Academy examines the driving cost factors of testing a product line system and provides solutions to reduce test efforts while taking test quality into account. The webinar will be held by Head of MES Test Center Dr. Hartmut Lackner.

Date 1: September 6, 2016, 4 - 5 p.m. CEST
Date 2: September 7, 2016, 10 - 11 a.m. CEST

Automotive Software Kongress 2016

Visit us at the [Automotive Software Kongress](#) exhibition on September 21, 2016 in Landshut (Germany). Learn more about the latest developments of our software tools and see the latest versions of MES Quality Commander[®], MES Test Manager[®], and MES Model Examiner[®] in action.

Visitor tickets for the exhibition are available free of charge.

ISO 26262 Training at dSPACE USA

We kindly invite you to our training workshop "Model-Based Development of Automotive Embedded Software in Compliance with ISO 26262" on September 8 - 9, 2016 in Wixom, Michigan (USA).

There are a few places still available.
The training takes place in cooperation with dSPACE Inc.

Dates 2016

Webinars

September 6 + 7, 2016

[Reducing Test Efforts for Highly-configurable Software Systems](#)

September 20 + 21, 2016

[Detailed Design in Model-based Development](#)

Oktober 11 + 12, 2016

[Central Quality Assessment of Software Projects](#)

November 1 + 2, 2016

[ISO in 10 Steps](#)

Training Workshops

September 22 - 23, 2016

[Model-based Development of Embedded Software in Compliance with ISO 26262 - Challenges and Proven Solutions \(Language: German\)](#)

[Agenda](#) | [Registration](#)

September 26 - 27, 2016

[Testing Models the Right Way - From Requirements to Model Testing](#)

[Agenda](#) | [Registration](#)

November 7 - 8, 2016

High Quality through Static Model Analysis - Best Practices for Guidelines and Complexity
[Agenda](#) | [Registration](#)

November 21 - 22, 2016

Model-based Development of Embedded Software in Compliance with ISO 26262 -
Challenges and Proven Solutions
[Agenda](#) | [Registration](#)

Events**September 12 - 14, 2016**

[dSPACE Technology Conference 2016 in Naperville, IL \(USA\)](#)

September 16, 2016

[dSPACE User Conference India in Bengaluru \(India\)](#)

Presentation title: Model-based Development of Embedded Software in Compliance with ISO 26262

September 21 - 22 2016

[Automotive Software Elektronik Kongress in Landshut \(Germany\)](#)

September 26 - 28, 2016

[8th International Annual Conference ISO 26262 in Ludwigsburg \(Germany\)](#)

Presentation title: Managing an ISO 26262 Safety Case: A Software System Perspective

October 5, 2016

[DGLR-Workshop: Software Safety in Garching bei München \(Germany\)](#)

Presentation title: Safeguarding Model Transformations for Safety-critical Avionics Software

October 6 - 7, 2016

[MES User Conference 2016 in Berlin \(Germany\)](#)

October 18 - 19, 2016

[Embedded Cloud Symposium in Munich \(Germany\)](#)

Presentation title: From Big to Smart Data in Quality Assurance (Session 2: Markt & Technik)

November 15 - 16, 2016

[8th dSpace User Conference in Munich](#)

November 28 - December 2, 2016

[Embedded Software Engineering Kongress 2016 in Sindelfingen \(Germany\)](#)

Tool Updates

+++ Release MES Model Examiner® DRIVE (MXAM) v.3.9 - Highlight: Traceability of review activities and advanced annotations management +++ New MES Checks +++ Release MES M-XRAY® v.3.0 - Highlight: Standardized complexity analysis for Simulink® and Stateflow® models +++ Release MES Test Manager® (MTest) v.3.5 - Highlight: Automated test evaluation with local assessments +++ Release MES Quality Commander® (MQC) v.2.2 - Highlight: Template for ISO 26262-6 projects +++
