## MES Tools Facilitate Development Process Agility at DENSO AUTOMOTIVE

**DENSO AUTOMOTIVE** integrated MES Model Examiner® and MES M-XRAY® in its toolchain for automated development process.

[Read the full article in dSPACE magazine](#)

## Webinars

April 28-29, 2015

[New Version of Test Tool Comes with Innovative Functionality](#)

May 5-6, 2015

[New Features of Our Latest MXAM DRIVE Release](#)

May 19-20, 2015

[Guidelines are a Modeler's Best Friends](#)

June 2-3, 2015

[Explore the Latest M-XRAY Release](#)

June 30-July 1, 2015

[ISO 26262-compliant Model Test with Requirements and Traceability](#)

## Call for Papers

[13th Automotive Software Engineering Workshop](#)  
(in German)

Deadline for submissions:  
April 20, 2015

## Upcoming Exhibitions

April 21-23, 2015  
SAE World Congress

April 21-22, 2015  
Automotive Safety & Security

June 23-24, 2015

## Automotive – Safety & Security 2015

Join us on **April 21-22** at the [Automotive – Safety & Security](#) in Stuttgart. We look forward to presenting you the latest releases of MES Quality Commander® and MES Model Examiner® at booth 9.
