Disclaimer

Legal notice

The content of this website is protected under copyright. Any reproduction, transmission, or processing of website content is strictly prohibited without the prior written permission of MES.

We ensure the topicality, accuracy, completeness, and quality of the information provided on this website insofar as feasibly possible. We cannot be held liable for loss or damage of any kind that may directly or indirectly result from accessing or using our website, the functions it provides, or links to third-party websites contained in its pages.

Our website contains links to external websites. These links fulfill a purely informational purpose. The operators of the linked sites are solely responsible for the content they contain.

Liability for third-party content

Insofar as this website contains direct or indirect links to third-party content, we are not responsible for their content. The third-party provider is responsible for any illegal or erroneous content on their website. Nonetheless we make every effort to carefully and regularly verify third-party content to which we link. Should we receive information that third-party content is illegal or erroneous, the corresponding links will be removed immediately.

Trademarks

All product names, logos, and brands are property of their respective owners. All company, product, and service names used in this website are for identification purposes only. Use of these names, logos, and

brands does not imply endorsement. Other trademarks and trade names may be used in this document to refer to either the entities claiming the trademarks and/or names or their products and are the property of their respective owners. We disclaim proprietary interest in the marks and names of others. We generally do not use trademark signs like ® to improve the readability of the document. MES Model Examiner[®], MES Model & Refactor[®], MES Quality Commander[®], MES Test Manager[®], and MES M-XRAY[®] are registered trademarks of Model Engineering Solutions GmbH.
