

# Training Formats and Locations

## Training Formats

Different training goals require different training formats. That's why we offer our range of training classes as open-enrolment trainings in our training locations in Europe, North America, and Asia, as in-house trainings on your premises, or as virtual classroom trainings.

### Icon On Site Training

#### Open-enrolment Trainings

We offer a variety of training classes as open-enrolment trainings on fixed dates at our training locations in Berlin, Stuttgart, Wixom, Shanghai or Bengaluru.

### Icon Online Training

#### Virtual Classroom Trainings

All of our training classes are also available as live online trainings. You can join our training classes wherever you are without having to travel. In our virtual training classes you can look forward to experienced online trainers, interactive programs, digital materials, the use of high-end equipment, and the latest online education solutions.

### Icon Inhouse Training

#### In-house Trainings

All of our training classes are also available as exclusive training classes for your team or organization. These training classes can take place either online or at your company. We tailor the contents, start times, and agenda to suit your specific needs and challenges.
